

Upon that **B**lesséd **S**abbath morn
 When dawn was blushing into day,
 The **A**ngel of the **L**ord appeared
 And rolled the pond'rous stone away.

The **H**eavenly **C**hoir burst forth in song
 Of vanquished death, and sins forgiven:
 "Praise ye **H**is name, O ransomed man!
 Rejoice, Rejoice, for **C**hrist has risen!"

EASTER MORNING.
